COLONNA

We always set out to partner with the best, that's why we brew Colonna.

Colonna is driven by the desire to serve the world's most exceptional coffee.

They have written books about it and won Barista Championships with it.

As we are in pursuit of flavour, we serve all our coffee to a precise recipe - yep a bit geeky but we weigh and measure everything and if it isn't right we won't serve it. All coffees are served as a double shot standard and if you do fancy your favourite drink in a size bigger we will gladly do it for you, just let us know.
